STAFF ANALYSIS ITEM—1

High-Speed Rail Authority
Merced to Bakersfield Segment
Various Counties

Action Requested

Adopt a Resolution of Necessity authorizing the use of eminent domain by the High-Speed Rail Authority to acquire properties or interests in properties for the High-Speed Train System.

Background

Under California Eminent Domain Law, the Board is the governing body of the High-Speed Rail Authority (Authority) for purposes of adopting Resolutions of Necessity that are required for the Authority to initiate eminent domain proceedings. To adopt a Resolution of Necessity the Board must consider that the following conditions have been met:

- (A) The public interest and necessity require the project;
- (B) The project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (C) The property sought to be acquired is necessary for the project; and,
- (D) The offer required by Government Code section 7267.2 has been made to the owner or owners of record.

The properties are within the right of way for the 171-mile Merced to Bakersfield Segment and are within the preferred alignment as previously approved by both the High-Speed Rail Authority Board of Directors and the Federal Railroad Administration. Acquisition of this property will allow the Authority to move forward with construction of the High-Speed Train System.

The Authority notified the Board's staff that between August 2025 and November 2025 the respective property owners were provided with a first written offer to purchase the subject properties, as required by Government Code section 7267.2. The Authority has informed the Board's staff that negotiations to acquire the properties are continuing; however, to keep the project on schedule, the adoption of a Resolution of Necessity to authorize the use of eminent domain is required at this time.

On January 21, 2026, Notices of Intent to adopt a Resolution of Necessity were mailed by Board staff to the owners. These notices were sent in accordance with Code of Civil Procedure section 1245.235.
